TO WHOM IT MAY CONCERN

This is to certify that

Name:

Identity Card No./Passport No :

is currently pursuing a degree in Computer Science at University Sains Malaysia and is currently in the third year of a four-year programme. As a student in the Bachelor of Computer Science degree programme, the student is required to undergo a compulsory Industrial Training programme for 26 weeks (6 months). I would be glad if you can assist the student in getting a placement for the training in your organisation. The student is expected to be trained in any area related to computing or information and communications technology under the supervision of an Information and Communications Technology personnel. The training period for this academic session is from **13th March 2023** until **8th September 2023** (26 weeks / 6 months). Should you need further information on this matter, please do not hesitate to contact us.

Thank you

(DR. AHMAD SUFRIL AZLAN MOHAMED)
Program Manager
Industrial Training, Student Activities and Community Engagement
